About the Race

This year, the 1040K Run/Walk will celebrate its 20th Anniversary. Since its inception in 1990, 1040K Run/Walk has been held in beautiful Coconut Grove and has attracted hundreds of runners each year. Proceeds from the event are awarded to African-American accounting students in South Florida in memory of Lewis Davis, Miami-Dade County's first African-American CPA, community leader, and co-founder of the Greater Miami-South Florida Chapter - National Association of Black Accountants, Inc.

This event has tremendous local support and has become a great experience for families and co-workers to get together for fun and exercise while contributing to a very worthwhile scholarship fund. Your support and contributions are truly needed to help accounting students complete their education and will be greatly appreciated.

About The Florida Institute of CPAs Educational Foundation, Inc.

The quality of tomorrow's accountants is vitally important. When we recruit, we look for bright, well-educated individuals willing to dedicate themselves to the CPA profession. The financial burden of a college education has dramatically increased, especially with the necessary fifth year of education required to become certified in Florida.

The FICPA Educational Foundation works to ensure the integrity and success of the accounting profession in Florida. Founded in 1959 as the R. Warner Ring Educational Foundation, it has distributed more than \$2 million to colleges and accounting students across the state. Last year, the Foundation gave out almost \$200,000 to 100 deserving students.

The Florida Institute of Certified Public Accountants' Educational Foundation, Inc. is recognized as tax exempt under section 501(c)(3) of the Internal Revenue Code. Contributions are tax deductible to the fullest extent of the law.
